SAI MO

ENTERPRISE PROFILE

Company profile

Chongqing Saimo Motorcycle Manufacturing Co., Ltd., is located in Jiulongpo, Chongqing, China. It has been more than 18 years since its establishment.
As one of China's outstanding motorcycle manufacturers. With strong research and development, production capacity, has been committed to the development, production and sales of complete motorcycles, engines and parts.
Saimo has also obtained the ISO9001:2000 international quality management system certification.
All products of Saimo have successfully passed the "ccc"

CORPORATE PHILOSOPHY

Create the future together

The main products of Saimo come from the two-wheel motorcycle series (cross-country motorcycle, crown prince, pedal motorcycle, bent beam motorcycle, etc.) and the side three-wheel series (chain drive side three-wheel, axle drive side three-wheel, etc.). According to the feedback from customers, we have been constantly improving and developing, so that our reputation has been continuously improved, and at the same time, we have been more motivated to continue to move forward, closely linking design, research and development, production, sales, and after-sales, Customer-centered innovation and service concept. We are not only committed to portraying the future motorcycle driving interest, but also committed to turning the ideas created and needed by customers into reality and creating a new blueprint for the motorcycle field.

SCOPE OF BUSINESS

DOMESTIC/EXPORT

SaiMo company production and sales of motorcycles across the world, at present, the Saimo production models are not only in the domestic, but also in Africa, Southeast Asia and the Middle East and other markets best-selling, including side three-wheel motorcycle。
CQR off-road motorcycle, magician off-road motorcycle, motorcycle (Prince car) and other models, Meet all kinds of consumers from off-road fun, leisure, fashion, household different needs. The motorcycle with excellent quality and performance, with Saimo company
perfect after-sales service, has won the recognition and preference of more and more consumers at home and abroad.
