

Leading humidifier specialist

With more than 13 years' experience, we are a leading humidifier specialist engaged in the development and production of humidifiers, air and water purifiers, aroma diffuser and other related products. Our proficiency in this field has been recognized by the likes of Carrefour, Fust, Delonghi, Costco, Casino and more. They benefit from:

- Our 8,600m² factory
- 40 R&D engineers
- Our monthly capacity of up to 150,000 units
- ISO 9001:2008-certified and BSCI-audited production
- GS-, CE- and ETL-marked products
- 280 skilled staff
- 20 QC inspectors

To ensure that we only offer the most up-to-date and contemporary items, we release up to 24 new designs every year. This high turnover of innovative designs is made possible thanks to the cooperation of our partner designers in Switzerland and Japan. For more information, contact us today.
