

Introducing our original liquid silicone rubber products made by new overmolding techniques

Swimwear accessories

Wearables components made from overmolded liquid silicone rubber

Serving world-famous enterprises

What makes us the preferred supplier of Honeywell, Panasonic, Trimble Navigation and other world-renowned companies? Since 1978, we've been efficiently manufacturing a wide range of electronic device components and assembling components to final working products. This includes plastic and rubber parts for consumer electronics and next-generation industrial electronics.

Utilizing a mold-flow system

At our 90,000m² factory with ISO 14001:2004 and ISO/TS 16949:2009 certifications in mainland China, we provide in-mold decoration, silk-screening, label-making and other services. We use a mold-flow software system to make our production process more efficient. And we have 1,000 employees on hand to process your orders – including 30 skilled engineers and 60 plastic and rubber mold-making specialists.

Providing R&D from Taiwan

To further enhance the quality of our goods and our production efficiency, we provide R&D services from Taiwan and logistics from Hong Kong. To view our full product line, log on to our Global Sources website today.
