Kontech is one of the leading LCD TV and monitor manufacturers in mainland China, with an annual capacity of more than 1 million units. All our production processes are ISO 9001:2008-certified.

We offer a wide range of TVs and monitors for your sourcing convenience:

- 3-D smart TVs with Google's Android OS, outdoor TVs, ad players, transparent prison TVs, waterproof mirror TVs, hospital TVs, TVs with AC/DC surge protection, marine TVs, kitchen TVs, hotel TVs and commercial displays
- We also provide worldwide TV solutions, as we offer multiple medium interface and language options, enabling our products and services to reach buyers in Europe, the US, Australia and more

Professional R&D

Our products have received 15 domestic patents, including for software, hardware, mainboards, modules and more. Our 40 R&D engineers have an average of nine years of experience in related fields. We have a long-term commitment to the TV market and a strong motivation to innovate. To ensure you can meet the diverse needs of your market, we have subdivided our catalog to offer you the widest possible range of TVs and monitors.

Our professional difference:

- Creating value for customers
- Partnership protection
- ODM services available
