

Pigeon and Yih Jiang source from us

Our list of big clients includes Japan's Pigeon and Taiwan's Yih Jiang. And in addition to our own production facility, we also have a network of 20 partner factories, which helps cut down on shipment times. Since 2001, we've been exporting medical instruments, laboratory equipment, educational models and other goods to North America, Europe and Southeast Asia. We exported \$5 million worth of goods last year and have more than 1,000 products on offer. Contact us today and our trade staff will reply in 12 hours.
