

Internationally certified quality from a 15-year manufacturer

Tired of sourcing fabrics from untrustworthy suppliers? Let us help. We can provide products that meet GB-18401, ITS and SGS standards. What's more, we source raw materials from top suppliers in India, Pakistan, Japan and other countries. And we've been making fabric since 1998, giving us years of invaluable experience meeting exacting standards – including those set by J. C. Penney, H&M, Zara and Sears. And if our existing selection isn't enough for you, our R&D team develops up to 15 new items monthly. For a sample within 15 days, call now.
