

# Get 30t of steel pipes in 10 days

Square and round steel pipes

In just one month, we can make 10,000 tons of steel pipes. On any given day, we have 5,000 tons in storage. So we can deliver immediately – 30 tons in 10 days. We offer all kinds of steel pipes for oil and construction lines. Our three factories are managed according to ISO 9001:2008-certified guidance. And we've passed inspections by Bureau Veritas and SGS. With five to 10 years' experience, 30 sales representatives track feedback closely to ensure customer satisfaction. Contact us today.

Hot-dip galvanized threaded and coupling steel pipe
