

Dielectric ceramic patch antenna  
for RFID (UHF) devices

Dielectric ceramic filters and duplexers

# Producing dielectric ceramic parts since 1988

- We're one of mainland China's largest makers of dielectric ceramic parts
- Offering patch antennas, filters, duplexers, resonators and multiplexers
- Catering to base stations and network equipment for mobile communication systems
- Compatible with GSM, W-CDMA, WLAN, WiMAX and LTE networks
- Parts feature low insertion loss and high attenuation
