

# Increase the value of your brand by sourcing from an experienced supplier

Established in 2001, Beelan Enterprise Co. Ltd has developed a reliable track record as a professional manufacturer of mobile phone and laptop cases, skins, chargers and other accessories.

We operate our own plastic molding and leather case factories, supplying to buyers from Europe, the US, Japan and other countries worldwide. We acquired extensive experience and an excellent reputation from our dedication to designing, developing and manufacturing high-quality cases for our customers. We are committed to producing the cutting-edge consumer electronic cases that exhibit the right combination of creativity, durability and elegance.

Ask us today to learn how our services can benefit you.
