

Wire-to-board, wire-to-wire and FFC/FPC connectors

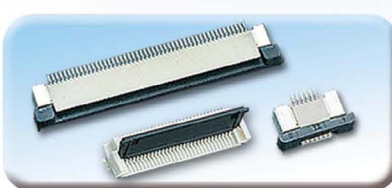

Connectors with international approvals

- We've been supplying connectors since 1985, and have recently acquired the latest fully automated production equipment from Japan
- Advanced plastic-injection, molding and stamping machines allow us to offer you uniform, reliable connectors
- We use only select raw materials from Japan, Taiwan and South Korea
- Benefit from lower production costs in mainland China, while still receiving products of the highest quality
- We have R&D engineers ready to discuss how best to meet your exact OEM specifications

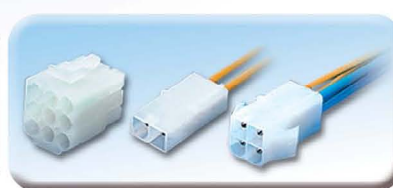

Join our clients in Europe, the US and Asia — contact us today.

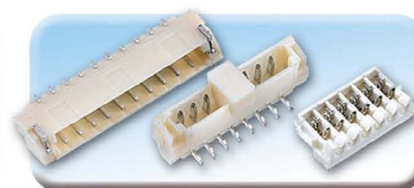

Wire-to-board crimp connectors
Pitch: 0.9-8.0mm
