Customized rubber matting for business, industry, agriculture and more

We are a specialist in the manufacture of rubber matting. We can supply a large variety of products for a wide range of fields, including business, industry, agriculture and others. If you don't see what you need in our catalog, then send us your specifications and we'll design and produce a whole new product. All goods we supply are lead-free, and do not give off toxic fumes if set alight. Our factory is ISO 9001:2000-certified, and our products are also CE-, JIS- and SGS-certified. Inquire today.
