

# Your one-stop shop for wetsuits, rash guards and more

We have been producing wetsuits, rash guards with elastic bands, neoprene water sports products and horseback riding equipment for 15 years. To ensure quality, we source raw materials from South Korea, Taiwan and Japan. And we carry out design, production, printing and packing in-house to expedite your orders. Major clients rely on us for their OEM needs and so can you. Send us your specifications and we'll have custom samples completed within five days. Join well-known buyers such as Bodyglove in sourcing from us. Inquire now.
