- Dual-core 1.6GHz CPU
 - Supports WLAN and 2160p resolution
 - Capacitive multi-touch screens

Up to 8 new designs every month

Our 100-plus R&D engineers can work on your ODM projects

Over 100 engineers at your service

In order to provide you with a steady stream of ideas for your promotional campaigns or retail sales, our R&D team develops eight new products monthly. You can choose from a range of tablet PCs, 3G smartphones, Google TV- compatible set-top boxes, digital photo frames and more. Our 100-plus engineers have already completed a variety of ODM projects for many famous buyers – Walmart, Best Buy and JBL – and can integrate your specifications with ease. And we specialize in providing SKD services for clients in Brazil.

One of the top 500 companies in Shenzhen

We are one of the top 500 companies in Shenzhen in terms of volume production. We have recently become a member of the CMMB Industry Technical Standardized Group, have been named an AA Enterprise by the Shenzhen Customs and have been recognized as a High-tech Enterprise in Shenzhen. We have also created a research center at Beijing University Shenzhen Graduate School to conduct research on digital media transmission and input devices.

Production resources at your disposal

Filling your volume orders is not a problem for us, as our 30,000m² factory boasts four workshops, 24 production lines and 12 SMT lines. For more information, inquire today.
