

# PCBs used by firms in the US, Europe and Japan

8-layer rigid-flex PCBs

For over a decade, electronics firms in the US, Europe and Japan have imported our PCBs, so we know how to ensure quality workmanship and world-class service. All of our PCBs meet IPC-A-600 standards and our facilities are ISO 9001:2000-certified. Minimum line widths are 0.07mm and minimum hole sizes are 0.15mm. Inquire today to find out about our range of materials and finishes.
