Advanced machinery and over 18 years' experience

Come to a supplier equipped with two Heidelberg printing machines from Germany, one fully automated die-cutting machine and one UV printing machine. With that lineup and the efforts of a 300-strong workforce, we can manufacture up to 600,000 pieces monthly. We've accumulated over 18 years' export experience in this field and have optimized our internal communication networks for efficient cooperation between departments. What's more, all our paper products are made of FSC-certified recycled paper.

8 series of products

We currently offer eight series of products, including cardboard gift boxes, scrapbook kits, photo albums, photo frames, notebooks, gift bags, greeting cards and office organizers. Walmart, Kmart and Target have sourced from us for five years, and we also supply Disney and Dollar Tree. Other clients in the US, Europe and Southeast Asia appreciate our goods as well.

ISO 9001:2000-compliant production

Our production facilities are compliant with ISO 9001:2000 guidelines for consistent quality. For more information, inquire now.
