

# More than 300 e-cigarette models for your selection

## Quality Control System

**Products exported to 50-plus countries and regions**  
 Having been in business since 2004, we've amassed a range of e-cigarettes that has proved popular worldwide. Our products are sought-after in more than 50 countries and regions, including Europe, the US, Japan and South Africa. Production takes place in our 30,000m<sup>2</sup> ISO 9001:2008-certified factory which is manned by 6,000 employees.

**560 specialists for quality assurance**  
 To meet the stringent quality and design needs of our diverse clientele, we employ 120 R&D engineers, 80 manufacturing engineers, 10 purchasing engineers and 560 quality staff. These experts have contributed to the more than 40 patents we have gained, as well as to ensure that our products earn RoHS, CE, UL and FCC marks.

**A comprehensive sales and service system**  
 Achieving 100 percent customer satisfaction is the mission of our 40 sales and service representatives. What's more, we've completed ODM projects for more than 300 clients worldwide. To start benefiting from our services as they have, contact us today.
