Men's EVA clogs

We have more than 20 years of experience manufacturing a wide variety of shoes, fashion accessories and promotional items. Our footwear, shown here, is available in a range of colors and styles. If you need an item made from scratch, we have 100 R&D engineers and 15 designers who can complete a sample for you in seven days. The same personnel also contribute to the 20 new models we release monthly.

Production is carried out at our five factories utilizing printing, heat-transfer and packaging machines. Accordingly, we turn out up to one million pairs every month, and can have your order ready for shipping in 20 to 30 days. For more information, contact us today.
