

# ODM samples in only 10 days

IML TPU cases for Apple's iPhone

Are you looking to shorten your time-to-market for cases made specifically for RIM, Apple and Samsung devices? Then consider us, as we offer ODM sample lead times of only 10 days. This speed is made possible thanks to the efforts of our 12 designers, each of whom has worked in the industry for over a decade.

You can rest assured we'll have models ready for the next generation of devices, as we add 10 new items monthly. Choose from over 20 products that come in a variety of materials, such as silicone and leather. We also provide chargers for RIM's BlackBerry mobile phones.

With a monthly capacity of 300,000 units, we have no trouble filling orders for our 100 clients in discerning markets, including the US and Europe. To source the right cases for your customers, contact us today.
