

# Up to six new items released every month

And a monthly capacity of 300,000 smartwatches and smartphones

## More than 20 patented items

We are a high-tech manufacturer and exporter of smartwatches, mobile phones and tablet PCs, committed to offering OEM and ODM services for our partners worldwide. What's more, our more than 30 senior R&D engineers develop up to six new models monthly, allowing you to keep up with the latest market trends. Our products hold 20 patents in mainland China and up to 98 percent of our mobile phones use private molds.

## Up to 300,000 pieces every month

Our 6,000m<sup>2</sup> factory houses 18 fully automated and semi-automated assembly lines, high-speed automatic SMT machines, fully insulated silkscreen printing workshops, an 8-hour aging test room and a range of QC equipment, including LCD switch testers. Backed with such an advanced manufacturing capability, we can easily produce 300,000 pieces monthly. Our CE-, RoHS- and REACH-compliant products are sure to give you an edge in your markets.

Please feel free to contact us and see how we can make your business grow.
