

iMicro™

High-performance computer peripherals that meet your demands

Established in 2006 and headquartered in Silicon Valley, iMicro, Inc. focuses on manufacturing computer peripherals for its own brand and developing exclusive partnerships with other top-ranked manufacturers to provide a wide range of cutting-edge PC and CE products to our customers in the US market.

As a manufacturer, iMicro, Inc. is able to offer better benefits and services to meet the demands of all tiers of customers. We guarantee high-quality products, sufficient inventory, stabilized market prices and ample profit margin. With 6 locations in the US and multiple overseas warehouse facilities, iMicro, Inc. is dedicated to offering smart logistics, professional technical engineering support and on-site customer service.
