

# Serving famous brands like Microsoft, Samsung and Philips since 1991

Hollow encoder (EC28)

Having been producing electronic components for the past 22 years, we have put together a massive selection for you to choose from. Electronics giants including Microsoft, Samsung, Philips, Panasonic, LG, Sanyo, Behringer, Edifier, Foryou and many others have already benefited from our selection of over 30,000 encoders, potentiometers, switches and more. These buyers also appreciate our innovative technology, which has earned us 65 patents over the years. To source from a supplier ranked as one of the top 10 component makers in mainland China, inquire today.
