

- Network cameras with mobile phone calling functions (ZB-NPC003)
- Video calling, remote monitoring and wireless alarm functions
  - Support cloud storage and P2P communication
  - H.264 video compression
  - Intuitive UI
  - Support iOS and Android mobile devices
  - Embedded 3C smart card
  - 3D voice recording software

- 2MP HD IP cameras (ZB-IP73/IP703/IP601/IP707)
- High-performance TI DSPs
  - IR-cut filters
  - Cloud network support
  - ONVIF standard-compliant

- Super-wide dynamic range weatherproof IR camera (ZB-N98)
- 1/3" color Sony/Sharp Super HAD CCD
  - 800TVL HD resolution, optional 600-800TVL
  - 3rd-generation dot-matrix IR LEDs for sharper pictures
  - User-friendly OSD menu with 3 language options
  - 3-D DNR
  - 360° rotating bracket with concealed cable
  - Integrated heat dissipation
  - IR range: 60m
  - 2.8-12/4-9/9-22mm varifocal lens
  - Weight: 780g

- HD HVRs (ZB-19000/H8816)
- Cloud network support
  - ONVIF standard-compliant
  - Intelligent video analysis system
  - Supports ARSP and DDNS
  - Multi-channel real-time recording/playback
  - Multi-user network operation
  - Supports iPhone/Windows/BlackBerry/Android devices
  - 3-in-1 DVR/HVR/NVR

## We produce surveillance

Over 210,000 CCTV cameras

- IP pan/tilt dome cameras with H.264 encoding (ZB-IPD05)
- H.264 video compression
  - MicroSD card slot
  - Support cloud storage
  - Compatible with iOS, BlackBerry, Android, Symbian and Windows phones
  - Wi-Fi connectivity available
  - Support CMS and SDK
  - Compatible with HVR/NVR
  - ONVIF-compliant

- Cube network cameras (ZB-IPB01)
- H.264 video compression
  - MicroSD card slot
  - Support cloud storage
  - Compatible with iOS, BlackBerry, Android, Symbian and Windows phones
  - Wi-Fi connectivity available
  - Support CMS and SDK
  - Compatible with HVR/NVR
  - ONVIF-compliant

### Meeting all your supply needs

Utilizing Juki SMT machines, we produce over 210,000 CCTV cameras and 45,000 DVRs monthly. This massive production volume ensures you will never run low on supply, as well as allows for completion of your order in as fast as three days. All of our goods ship with CE, FCC and RoHS marks for smooth distribution.

### A rigorous six-step QC process

For quality assurance, each of our devices is fitted with chipsets from Sony, Sharp or LG. And we subject our surveillance products to a stringent six-step QC procedure. Everything from raw materials to finished units is examined

using advanced equipment from the US. Plus, we offer one-year warranties.

### 200 models to choose from

We offer over 200 models for your selection. Every month, we add three new items to this range to keep up with market trends. Our English-speaking R&D engineers can work on your specifications and have a customized product ready for you in just 15 days. Technical support is available. To start benefiting from our services, contact us today.

## products in massive numbers

and 45,000 DVRs monthly

- 8-16-/24-ch. NVRs (ZB-N3000/6000/7000)
- 1080p recording
  - ONVIF standard-compliant
  - Built-in ARSP and RTSP
  - One step internet operation set-up
  - Cloud-enabled functions

- 3MP HD-SDI cameras (ZB-SDI96/76)
- Sony 1/2.8" progressive CMOS sensors
  - 1080p video @30fps
  - Built-in IR-cut filters
  - Support adjustments via keyboard
- 4-/8-/16-ch. HD-SDI DVR (ZB-D60SDI)
- Real-time recording with embedded Linux OS
  - H.264 video compression
  - One step internet operation set-up
  - 1080p recording and display
  - Cloud-enabled functions
