

Rattan outdoor furniture set with aluminum frame

Target relies on our 9 years of industry experience

Big buyers such as Target come to us to benefit from our nine years' experience in producing outdoor furniture made of wood, metal, leather, plastic and more. With this variety of materials – as well as over 100 different models to choose from – our selection boasts something sure to satisfy the buyers in any market. In addition, our five R&D engineers – with an average of 11 years' experience – help us to release up to 12 new models each month. We also offer two-year warranties. Contact us today.
