

# Over 100 brands rely on us for OEM services

Looking for belts or bags? Stop here. Our factories have over 80 production lines operated by a 5,000-member staff devoted to just belts and bags. In fact, our expanding business in South America, Australia and South Africa has brought over 100 different brands to us for OEM services on PU and leather belts, as well as PU, soft polyester and nylon bags. We are ISO 9001:2000-certified to ensure the efficiency you demand is met. Our sample lead time is about one week. Visit our Global Sources Online showroom today.

Women's handbag, made of genuine leather

Leather and elastic belts
