Award-winning kitchenware designs

Capture consumers' attention in your market with our stainless steel kitchenware. They come in a variety of eye-catching designs, which have won us the Best Product Design award at the IIIH in 2007. We add 20 new items annually to our range of kitchenware, flatware, barware, mugs, cups, tabletop accessories and more. Plus, we can create custom samples in just 15 days. For speedy processing, we source stainless steel and polishing materials from India. And we handle production at our two factories, which turn out up to 50,000 units monthly. We offer online tracking reports to keep you updated on the status of your order. Inquire today.
