Clients worldwide trust our 30

More than 40 professional R&D engineers to handle custom orders

We are a professional designer and manufacturer of tuners, digital TVs, receivers and antennas for home and mobile applications. Our own plastic injection molding, metal stamping, electromechanical and software development workshops ensure that all items are fit to bear RoHS, CE, FMC, EMI, CSA and UL marks. To control quality, we make our PCBs and digital TV modules in-house. We provide aftersales and comprehensive technical support .
