2-year warranties

Big-name clients only choose the best. So it says a lot when companies such as Walmart, OBI, Plus, Target and Carrefour come to us when they need outdoor products. They appreciate our 20 years of experience in the outdoor rattan and wooden furniture industry. And we enjoy a 90 percent reorder rate because of the consistent quality of our goods and our two-year product warranties.

Receive your products 10 days faster

When you come to us, you won't be waiting the industry average of 35 days for your orders to ship. It takes us only 25 days. Our R&D team develops three new outdoor furniture designs every month to keep your selection fresh. And we can also handle your OEM requests.

Up to six 40' HQ containers per month

We employ 75 engineers and plenty of assembly workers to operate our four ISO 9001:2000- and ISO 14001:2004-certified facilities. And because we have many of the raw materials we use in stock, our factory can produce up to six 40-foot HQ containers of furniture sets each month for your volume orders. Inquire now.
