

100% cotton bath/beach towels

24/7 assistance is why over 2,000 buyers rely on us

Any time, day or night

Our trade staff includes specialists who are available 24 hours a day. This round-the-clock service is one reason that more than 2,000 customers from 150 countries and regions source our household products. You can be sure that we have experience working with different markets.

One of mainland China's top exporters

Our company is one of the leading exporters of light industrial products in mainland China. We have been in this industry for nearly 30 years. Our ISO 9001:2000-certified company is staffed by over 300 employees, has six brands and has an annual turnover of \$250 million.

Over 100 new products monthly

Every six months, we update our selection with at least 100 new items. OEM orders are welcome with samples finished within two weeks. Our clients count on us to get their orders shipped within 45 days. You can try us out too – orders start at 3,500 pieces per design. Contact us today.
