

Why are we the No. 1 polyester ribbon supplier?

Sheer ribbons

Large volume. With a 101,000m² facility and 2,800 skilled workers, we can produce 20 million yards of ribbons and 1 million ribbon bows and 20 million yards of ribbons in a day. It's easy thanks to our 78 high-temperature dyeing, 18 normal-temperature dyeing, 30 high-speed warping and 200 printing machines, as well as 2,500 high-speed looms. This capacity and manufacturing power ranks us number one in the world in terms of polyester ribbon production scale.

Fast delivery. Whether you need ribbons for gift wrapping or trimming, you can rely on us to meet your requirements. We always keep 150 million yards in stock, in 196 colors and more than 20 widths, so your rush orders can be shipped within 24 hours.

Quality. Our polyester ribbons are popular for their fine textures, colorfastness and vivid prints. We source raw materials from select suppliers in Germany, Japan and Malaysia. And we use a coloring process that is azo-free to meet Oeko-Tex Standard 100 guidelines and to ensure REACH SVHC compliance.

Large volume, fast delivery and assured quality. These are three reasons why we are the top ribbon supplier in the world, and why our buyer list includes the largest ribbon retailers in the US and Europe. Find out what else we can do for you. Inquire now.
