

# Choose from over 1,000 power supply products

LED drivers

LED drivers

With over 1,000 power supplies, we provide you with the various products you need. To build such an extensive selection, our experienced R&D team's 25 members develop 30 new items each year and are prepared to meet your OEM/ODM requirements. Our TDC-branded products come with two-year guarantees to back up our claims.

Our 80-member quality control team is at the top of its game, ensuring that our products comply with over 15 leading international approvals, including REACH regulations, as well as PAHs, N6P, RoHS and TÜV-GS standards. Our 3.5 million-unit monthly production capacity is fulfilled by our five ISO 9001:2000-certified factories in mainland China. Unlike many of our competitors, we perform molding, plastic injection and other processes in-house to ensure your orders are processed quickly.

Become a part of our international clientele, who source \$50 million worth of power supplies annually. Contact us today.
