

RF connectors made with advanced CNC, auto lathe and pressing equipment

RF connector series:
MCX, MMCX, SMA, SMB, SMC,
BNC, F, 7/16 and more

Manufactured with Taiwan-based expertise and efficient mainland China volume production, our RF connectors are available in MCX, MMCX, SMA, SMB, SMC, BNC, F, 7/16 and other types. We also provide a wide range of cables and PCB assemblies. We deliver all of these products to our customers in North America, Western Europe and other markets.

Our ISO 9001:2000-certified production facilities are equipped with CNC, auto lathe and pressing machines. Utilizing hipot/insulation and contact-resistance testers, a network analyzer, and advanced R&D equipment, our team of experienced engineers can meet our customers' exact specifications. For more information on our products, browse through our website or contact us today.
