We've been an HDMI Adopter for 7 years

We were one of the earliest adopters of HDMI technology in mainland China, and after seven years of producing HDMI-certified products, we've built up a catalog featuring 50-plus models. Our catalog includes HDMI splitters, switchers, matrices, extenders, converters, adapters and cables. We also offer lines of A/V accessories and PC peripherals.

OEM/ODM and packaging services are readily available. We ship your orders in as fast as 15 days. For more information, call us today.
