

Our LED lighting products come with 5-year warranties

Specializing in LED lighting products for use in signage and decoration, we can handle your OEM/ODM projects. We make certain our models are fit to carry CE, UL, RoHS, FCC and SGS marks. And as further testament to the quality of our items, we offer five-year warranties. Our products are sourced by well-known buyers such as GE and 3M, as well as by more than 500 other clients worldwide. To source from an ISO 9001:2008-certified supplier, contact our English- and Russian-speaking sales team now.
