Micro USB 3.0
connectors

Source from us if you're looking for an extensive range of switches, relays, terminal blocks and connectors. Featured here are our micro connectors made for the latest USB 3.0 products. These connectors can be used in mobile phones, PDAs, tablet PCs, MIDs, USB drivers and adapters, MP5 players, e-book readers, chargers and more.

To ensure quality control and to help keep our prices low, we design and manufacture every component in-house at our ISO 9001- and ISO 14001-certified factories in Taiwan and mainland China. Using these facilities, we can customize our products to fit your OEM/ODM specifications. We have also set up a branch in the US to better serve clients in North America. For more information, contact us today.
