# Over 100 HDD enclosures, card readers, USB 3.0 cables and more

USB 3.0 hub with 1.5/12/480Mbps and 5GBps ports

Having been in business for only five years, we've already compiled a large collection of computer peripherals. In fact, we currently have more than 100 models of HDD enclosures, USB 3.0 cables, USB 3.0 PCI cards, SATA/IDE adapters and converters, card readers and more. Our manufacturing process takes place at our factory equipped with five production lines, according to ERP and ISO 9001:2008-certified management systems. Accordingly, we turn out up to 500,000 units monthly to cater to your volume needs. We export to markets worldwide, particularly in Japan and the EU. For more information, inquire now.
