

# Satisfying clients internationally with our customization services

## We handle volume orders well

Big buyers worldwide entrust their volume order needs to us. With two factories housing four SMT lines and over 250 employees, our combined monthly capacity reaches 1.2 million units. Our high-quality USB products and accessories such as USB Type-C adapters and smart Bluetooth® thermometers are backed by eight years' experience. We guarantee that these competitively priced items will definitely attract customers in your market.

## Quality is our priority

Source items that are inspected by 20 QC auditors with more than five years of experience. Each item that rolls out of our factories is fit to bear CE, FCC and RoHS marks. In addition, our goods come with one-year warranties.

## Taking advantage of online selling platforms

Visit our Global Sources Online webpage and our website to see the hundreds of designs we offer. Our buyers also enjoy a complimentary sample of our Apexto-brand USB flash drives. Send us your PMS color requirements and bulk USB orders today.
