

# More than 46,000 products to choose from

We work with over 1,000 partner factories

Electronic door viewer and doorbell

We commit ourselves to providing customers with excellent services. That's why we have searched out only the best factories to add to our network of over 1,000 suppliers, granting us a selection of more than 46,000 products. Most of these suppliers have at least 20 years of experience in this field and are ISO 9001:2000-certified.

Our enterprise is an international trading company with

14 years of experience. We assist overseas buyers with the exporting procedures necessary to source hardware, tools and sanitary products from mainland China.

One of our main suppliers specializes in the production of brackets, door handles and cabinet handles, and exports up to 10 million units to the US and Europe each year. Inquire today.
