

Keep ahead with help from our R&D centers in Silicon Valley, Beijing, Hong Kong and Tokyo

RadioShack, Otto and Kmart source from us

Bringing you the latest designs

Only cutting-edge designs will sell in your market. To keep up with industry trends, we attend trade shows such as the International Consumer Electronics Show in Las Vegas and IFA in Berlin. Our R&D centers in Silicon Valley, Beijing, Hong Kong and Tokyo help us stay ahead of the competition. We develop at least 10 new items for the OEM market annually.

The choice of big buyers

Every year, we do more than \$20 million worth of business with big retailers and OEMs worldwide. As one of mainland China's top 100 export enterprises, we've served an impressive roster of clients, including RadioShack, Otto and Kmart. You can count on us, too.

Samples in a week

Our R&D staff are ready for your OEM projects. We'll have samples ready to ship in one week. E-mail us today with your retail-ready and custom order inquiries.

Quick-charging Wi-Fi power strips with
Superconn app control (i-WSP001)

- Two USB ports and three sockets
- Self-developed Superconn app
- Rated voltage: AC 110/220V
- Standby power consumption: <0.5W
- Rated current: 15A
- Rated power: 1,875W per socket
- Working frequency: 60Hz
- Single USB output limit: 5V 1.3A
- Dual USB output limit: 5V 2.6A
- Wireless type: 2.4GHz
- Wireless standard: IEEE 802.11b/g/n
- Working temperatures: -10 to 40°C
- Connector material: copper alloy
- Power cord: 1.8m 18AWG
- Certificates: UL and FCC
- Product size: 275 x 55 x 30mm
- Colors: black or white
