This verification has been issued in pursuance of the European Commission's note Ref. Ares(2022)6342894-14/09/2022, in respect of voluntary certifications with none-notified procedure and for products intended for third countries outside the EU market. The manufacturer has voluntarily decided to submit its documents concerning the above-mentioned product for verification. Transmission, storage and protection of documents are the responsibility of the manufacturer, as it containing confidential data. The verification activity carried out exclusively concerned the technical documentation and no verification was carried out on the product.

Compliance of the product and documentation with the standards is the responsibility of the manufacturer. Any significant changes in design and/or production of the product or amendments to standards referred above may render this certificate invalid. The validity of this certificate can be verified on [www.eutest.com.tr](http://www.eutest.com.tr)

**Verification issue date** : 09/11/2023

**Verification expiry date** : 08/11/2028
