This certificate of conformity is based on an evaluation of a sample of the above-mentioned product. This certificate of conformity confirms that the tested sample is in conformity with Annex I of Council Directive 2014/35/EU, referred to as the Low Voltage Directive and essential requirements for electromagnetic compatibility defined in Annex I of Directive 2014/30/EU.

This certificate does not imply an assessment of the whole production. The manufacturer is responsible for the internal production control to ensure the product(s) comply with the essential requirements of the Directive.

The CE marking, as shown above, can be affixed under the responsibility of the manufacturer, if all relevant and effective EU Directives are complied with. This certificate expires upon the withdrawal of one of the above-mentioned standards.
