The submitted products have been tested by us with the listed standards and found in compliance with the following European Directives:

**(EU)2015/863 amending Annex II to RoHS Directive 2011/65/EU The Restriction of The Use of Certain Hazardous Substances In Electrical and Electronic Equipment**

The tests were performed in normal operation mode. The test results apply only to the particular sample tested and to the specific tests carried out. This certificate applies specifically to the sample investigated in our test reference number only.

The RoHS markings as shown below can be affixed on the product after preparation of necessary technical documentation. Other relevant Directives have to be observed.
