The certificate of conformity is based on an evaluation of a sample of the above-mentioned product. Technical report and documentation are at the applicant's disposal. This is to certify that the selected material of the tested sample is in conformity with the provisions of the Directive (EU) 2015/863 amending Annex II to Directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment. The certificate does not imply assessment of the production and does not permit the use of Lab's logo. This result relates only to the item(s) tested. Other CE marking directives may apply but have not been considered during the RoHS assessment. The applicant of the certificate is authorized to use this certificate in connection with EU declaration of conformity to the Directive.
