Anyone can throw a sketch together, but it takes a touch of talent to apply that design to a piece of promotional clothing. Our design department can do just that. We have over 200 personnel ready to discuss your designs and custom logos in English. And when it comes to samples, you can depend on our experienced team to develop a fresh design in just one week.

For 26 years, we've been the sensible choice of buyers looking for competitively priced sports jerseys, T-shirts, scarves and bags. Our four fully owned factories have supplied buyers from over 60 countries and regions, including Europe, the US, Africa and the Middle East.

We export more than two million units every year, so you know we'll be able to handle large-volume requests. Orders are shipped within 35 days. To see our full product range, visit our Global Sources Online showroom and send us an e-mail today.
