COMPANY PROFILE

Dongguan Boyye Industrial Co., Ltd (Brand BOYYE) erected in 2006 is a National High Technology Expertise that is capable of developing, producing and marketing PC (HUB) and smart phone accessories.

In the two major plants(covering a total of 15,000m²) based in the southeast cities of Dongguan and Xiamen, we have above 22 production lines which can bring monthly capacity to 1,000,000pcs. Our R&D and marketing arms lie Shenzhen City China. More than 60 technicians,500 employees , serving in our support teams, can provide professional, unified ODM/OEM service. Our Main market: Europe, Japan, USA .

As a user-demand and technical-innovation driven firm, Boyye nurtures its brand - Boyye and BYEASY. Boyye has become one of main manufacturer of TYPE C products. We focus on continuous innovation to meet customer's requirements.
