BRAND DEVELOPMENT HISTORY

COMPANY INTRODUCTION

iFacemall Inc is a professional factory company, specializing in the R&D , and manufacturing of iPad accessories and peripheral office accessories. With over 1,100 staffs, iFacemall brand was founded in USA in 2009, it has been sold all over the world. It adheres to the principle of simplicity, fashion,unique design, excellent quality and practical functions, and has launched a large number of products that are favored by users.

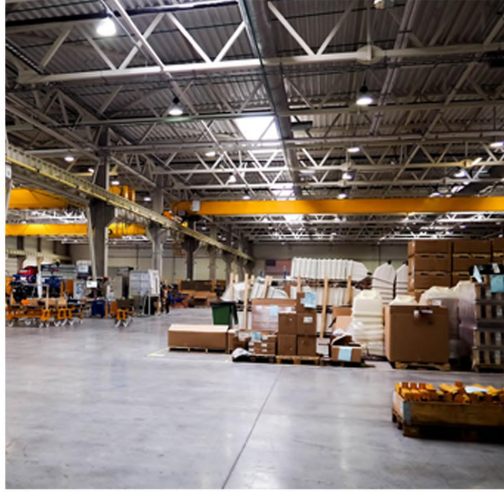

We always adhere to the principle of not forgetting our original intention and quality first, and continue to provide a rich product catalog and fast product updates. We support brand agency cooperation, OEM/ODM and other cooperation methods to customers to achieve common development.

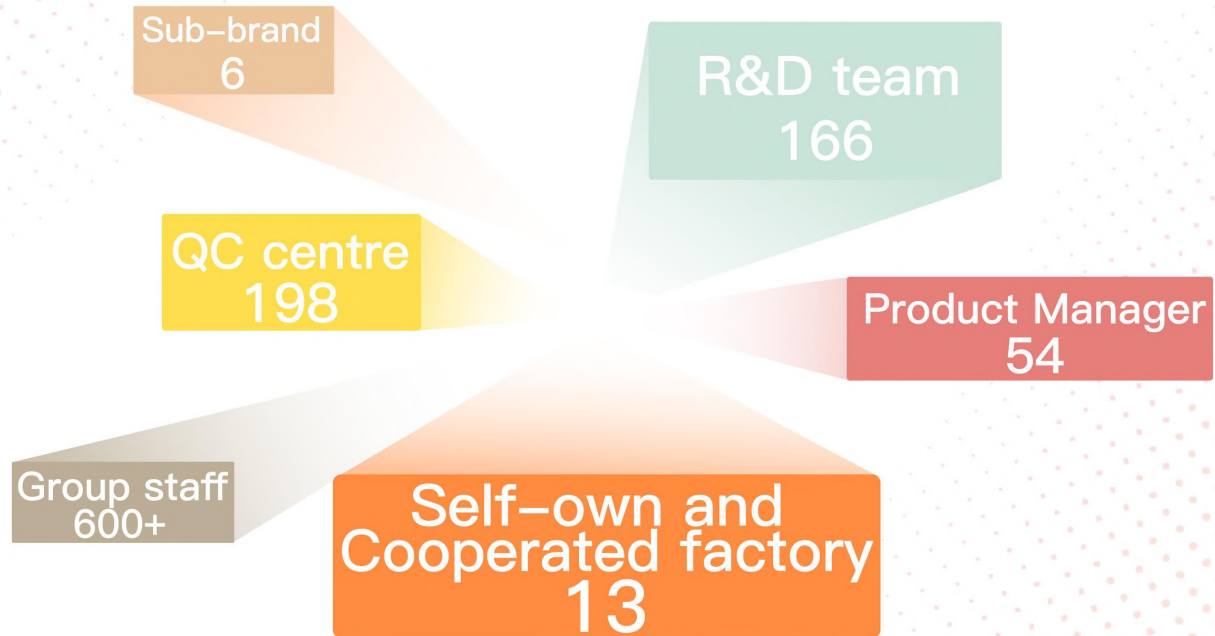

We have now achieved good performance in Germany, the United States, Japan, South Korea, Saudi Arabia and China, with complete certificates and proven quality.
