A well-established supplier system:
After 12 years of growth, we have the best supplier partners. They provide stable support and high-quality components and raw materials, thus ensuring the stability of our product quality.

Extensive experience in custom projects.
We have our own shell factory, which can support you in realizing your ideas. We have completed projects for many clients, including N2 Inspection GmbH in Germany, Lamasha Tech in the UK, Nature Colors in Singapore, and Disneyland in Italy. We believe our experience can provide strong support for your customized project.

We have certified production capabilities.
Our products have passed CE, FCC, RoHS, CCC and UL certifications. We are fully qualified to provide you with professional services, achieve mutual success, and win-win cooperation.

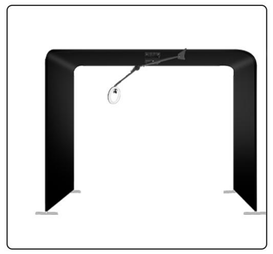

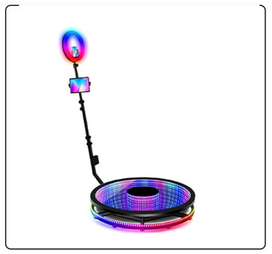

Warranty Policy:

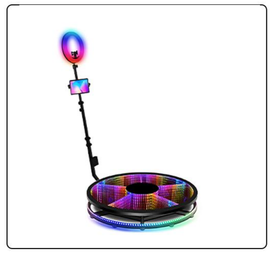

During the warranty period, if you have any problems, we will resolve them for you as soon as possible; if the problem cannot be resolved at once, we will provide a new device free of charge. We offer 24/7 online technical support to ensure you have the best purchasing experience.
