## Factory Profile

## FACTORY INTRODUCTION

- Professional engineering team.
- ODM&OEM orders are welcome.
- Established in 2009, more than 14 years professional automotive wire harness manufacturer.
- Factory has passed the ISO9001:2015 quality system certification
- We hold the managerial idea "People-oriented, surviving by quality, developing by good reputation, seeking a win-win way with customers to adapt the existing competitive market."

## OUR CETIFICATION

## Experience

14 years of automotive wiring harness production experience

## Quality

Professional technical and quality management advanced equipment.

## Advantage

We use the ERP and MES systems to assist the factory's operation, ensuring that all details, materials, and processes of the products can be recorded and traced.

## Purpose

Fulfill the principle of "excellent quality, work together" and "good faith management."
