# ABOUT US

Established in 2014, Shenzhen Domino Times Technology Co., Ltd. is a high-tech company with 10 years of industrial design and development of hardware and software, which specializes in R&D, manufacturing and sales of smart wearable products.

Certified by ISO9001 and guided by spirit of "Born Pride" and quality philosophy of "Pursuit of Perfection", Domino products have been defined as middle and high-end brand ones in the market and exported to South east Asia, Europe and America.

The company gradually grows to be one of leading enterprises in the global smart wear industry.
