公司概况

20 years of experience

Established in 1990, Jinjiang Jiaxing Group Co. Ltd manufactures a wide range of shoes&garment item, promotional gifts, keychains, cellphone charms, bracelets, shoe charms, cellphone cases, EVA bags, hats and more. Our clogs, with rubber outsole for anti-slip design, are well received in North America, Western Europe, Canada and Australia. We also offer OEM/ODM services. Read on to learn more.

Designers with 20 years of experience to serve you

Our 15-member design team is led by an Italian designer, and includes fifteen staff members who have about 20 years' experience in this line. We invest 20 percent of annual sales in R&D every year, and release 20 new designs monthly to update your selection.

700,000 units produced monthly

Our 30,000-square-meter factory is equipped with automated machines procured from Italy, Germany, Taiwan area and mainland China. Our monthly output reaches 700,000 units -- enough to fill your volume orders.

In-house molding workshop

To ensure every unit you receive is defect-free, we assign twenty QC technicians with 10 years' experience on each production line. They conduct stringent inspection processes to ensure quality. Moreover, all of our products have passed SGS tests.

In general, your orders can be delivered in 5-20 days. To start hassle-free sourcing with an experienced supplier, contact us now.
