

# COMPANY PROFILE

SW company is a professional drilling machine supplier based in China, we have all kinds of drilling equipment for sale, providing powerful assistance for safe and efficient drilling.

Our mobile air compressors have reliable quality and constant pressure.

Our drilling rigs are deep-drilled, fast-footed, flexible and efficient.

Our hammers are durable and safe to use.

Our drill bits are equipped with corresponding products for different types of wells and formations to maximize drilling efficiency and economic benefits.

Our underground water detectors are easy to carry and easy to operate.

The drilling equipment company' s machines are widely used in mining, water conservancy, transportation, shipbuilding, urban construction, energy, military and other industries.

## **Exporting drilling rig air compressors around the world for 10 years**

3,000 sqm factory|50 R&D engineers|200 skilled workers

10 years of industry experience

SW company is a professional drilling equipment company, which integrates product research and development, sale and service, located in Shenyang, the industrial base of Chinese machinery and equipment. We have been in this line for 10 years. Our company mainly provides air compressors, drilling rigs, impactors, drill bits and water gauges, widely used in mines, hydraulic drilling RIGS, construction, and road and bridge construction.

Contribute to the construction worldwide

Our equipment has contributed to the construction in Southeast Asia, Africa, South America and the Middle East. SW helps customers find water and minerals in arid areas, and then tap groundwater to meet local water shortages.

## **SW Company Profile**

SW Drilling Equipment Co., Ltd. mainly provides holistic drilling solutions, serving the mining, stone crushing, water conservancy drilling industry, to help you solve the problem of drilling at high efficiency and low cost. We mainly provide mobile air compressors, drilling rigs, hammer, drill bit, crushers, underground water detector. We are your trustworthy partner.

## **SW Company Culture**

Goal——stability, efficiency and low cost.

Advantage——many years of field experience.

Technology——a wealth of product libraries to choose the best solution for you.

Faith——Once cooperation, life-long friends

## **Air Compressor Accessories**

Air filters, oil filters and oil-gas separators are often used as a set of integral filtration barriers to provide clean oil and gas for the stable operation of air compressors.

SW develops and manufactures more than 5000 kinds of air compressor fittings accessories of different specifications and types, providing supporting services for well-known air compressor manufacturers at home and abroad, and customizing non-standard products according to customer requirements.

Air Compressor Parts, Tools and Accessories
